Rollercoaster

Machine Gun Fellatio

You're like a rollercoaster, toast ya
in a big four-poster bed
You're such a puddin' I shouldn't I couldn't
I'm a gorilla in a wooden kegCruise around town with the windows down
Shakin' all 'round to the stereo sound
Cruise around town with the windows down
Shakin' all up to the summertime soundYou're like a rollercoaster, toast ya
in a big four-poster bed[scat singing] Say what?!?
[scat singing] Say what?!?
[scat singing] Say,
You're like a rollercoaster, toast ya
in a big four-poster bed
(you say to me, you say..) Say,
You're like a rollercoaster, toast ya
in a big four-poster bed
(you say to me, you say..)Baby, I can drive you crazy
Baby (Say what?!?)
Maybe, maybe later you can meet my ol' lady (lady)
Baby (baby)
Baby (baby), I can drive you crazy (crazy)
Baby (baby)
Maybe (maybe), maybe later you can meet my ol' lady (lady)
(she dig ya...)You're vine-ripened, I'm now frightened
By the lightning in my legs
You're such a screamin' dream I'm leanin'
To the demons in my head (in my head)Cruise around town with the windows down
Shakin' all 'round to the stereo sound
Cruise around town with the windows down
Shakin' all up to the summertime soundYou're like a rollercoaster, toast ya
in a big four-poster bed
Say,
You're like a rollercoaster, toast ya
in a big four-poster bedI said
Baby (baby), I can drive you crazy (crazy)
Baby (baby)
Maybe (maybe), maybe later you can meet my ol' lady (lady)
Baby (baby)
Baby (baby), I can drive you crazy (crazy)
Baby (baby)

Maybe (maybe), maybe later you can meet my ol' lady (I can be your ol' lady!)
(she dig ya..)You're like a rollercoaster, toast ya
in a big four-poster bed
Say,
You're like a rollercoaster, toast ya
in a big four-poster bed
I said,
You're like a rollercoaster, toast ya
in a big four-poster bed
You're like a rollercoaster, toast ya
Baby, I can drive you crazy
in a big four-poster bed
Baby
You're like a rollercoaster, toast ya
Baby, I can drive you crazy
in a big four-poster bed
BabyYou're like a rollercoaster, toast ya
in a big four-poster bed
