

Morning After (Hamburg Live)

Dead By Sunrise

Caught up against the wall again
Time to chill in the bar again
Never cease to amaze the thought in me
I sleep, sleep, sleep, please don't Wake me 'til the morning after
Wake me 'til the morning after Got confused by the thought again
Lick my wounds like a dog again
Is that a light at the end of the tunnel
That I see, I see
Please let it be, but don't Wake me 'til the morning after
Wake me 'til the morning after
Wake me 'til the morning after I'm so tired
There has got to be an end
To the pain I feel when I'm awake and alive
Alive, alive, alive and I'm dreamin' Caught up against the wall again
Time to chill in the bar again
Is that a light at the end of the tunnel
That I see, I see
Please let it be, but don't Wake me 'til the morning after
Wake me 'til the morning after
Wake me 'til the morning after I'm so tired
There has got to be an end
To the pain I feel when
I'm awake and alive
Alive, alive and dreamin'
