In Your Eyes

Tarkan

Did you know
That I would be all right
If I had you by my side
Do you know
If I got you in my life
In you I would confideSomething about your love
Something about your love
Something about your loveCause It's in your eyes
And I feel like I've been waiting
A thousand nights for you, for you
Baby you can't hide and I know you feel the same
It's in your eyes, It's in your eyes, it's in your eyesGonna gonna get u I don't care, I don't care whatever
Baby you're the ine that I want, that I want foreverDid you think
That it would come to this, I'd give in
To everything that you desire
Cause I know that we were meant to be
It's destiney
Only with you I feel aliveSomething about your love
Something about your love
Something about your loveCause It's in your eyes
And I feel like I've been waiting
A thousand nights for you, for you
Baby you can't hide and I know you feel the same
It's in your eyes, It's in your eyes, it's in your eyesGonna gonna get u I don't care, I don't care whatever
Baby you're the ine that I want, that I want forever
When you look at me I can see we are meant together
Gonna gonna get you cause I know that it's now or neverCause It's in your eyes
And I feel like I've been waiting
A thousand nights for you, for you
Baby you can't hide and I know you feel the same
It's in your eyes, It's in your eyes, it's in your eyes
