Lovelife

ASM

Don't ever hide
Believe inside
It's all I hold on to
Never forget
Sans regret
Or you won't find the real youIf you know what I mean say, Ayo!
If you feel what I feel say, Ayo!
'Cause things can only get betterIf you're riding the club say, Ayo!
If you're banging the drum say, Ayo!
We can all stand together[Chorus]One life
One loveAll you need in life is one loveOne life
One loveAll you need in life is one loveThe air I breathe
Is pure and clean
And you should breathe it too
Just live the dream
Raw energy
It's taking over youIf you know what I mean say, Ayo!
If you feel what I feel, Ayo!
Cuz things can only get betterIf you're riding the club say, Ayo!
If you're banging the drum say, Ayo!
We can all stand together[Chorus]One life
One loveAll you need in life is one loveOne life
One loveAll you need in life is one love[Bridge]One love
One life
Everything will be alrightOne love
One life
Everything will be alright[Chorus]One life
One loveAll you need in life is one loveOne life
One loveAll you need in life is one love
