## ASM

Don't ever hide  
Believe inside  
It's all I hold on to  
Never forget  
Sans regret  
Or you won't find the real you If you know what I mean say, Ayo!  
If you feel what I feel say, Ayo!  
'Cause things can only get better If you're riding the club say, Ayo!  
If you're banging the drum say, Ayo!  
We can all stand together [Chorus] One life  
One love All you need in life is one love One life  
One love All you need in life is one love The air I breathe  
Is pure and clean  
And you should breathe it too  
Just live the dream  
Raw energy  
It's taking over you If you know what I mean say, Ayo!  
If you feel what I feel, Ayo!  
Cuz things can only get better If you're riding the club say, Ayo!  
If you're banging the drum say, Ayo!  
We can all stand together [Chorus] One life  
One love All you need in life is one love One life  
One love All you need in life is one love [Bridge] One love  
One life  
Everything will be alright One love  
One life  
Everything will be alright [Chorus] One life  
One love All you need in life is one love One life  
One love All you need in life is one love
