

Grandma

Future

Caught a 7 brick nap when I put that on my grandma
Off 7 thousand keisha, but I'm always smokin' granddad, yeah
And I put that on my grandma, how quan get that lema?
And I put that on my grandma, yeah
You want that work, I'm pullin' up, I'll send it threw the air
I put that on my grandcousin, I got bricks here
You want that work, I'm pullin' up, I'll send it threw the air
I put that on my grandcousin, I got bricks here
9 millimeter on my brothers keys
Brand new pair of boots, servin' out the wraith
Trappin' out the reaper, bought a p again
Popped a gram of molly, workin' on some thotties
Sacrificed the plug and went and bought another plug
We out here scrapin' nigga, aye, fuck the great depression
I hope ya learned ya lesson, cookin' for ya body
(?), stash it in the tiger
Hotter than a jolly, pick ya pot right by the fire
Turnin' on the fire, lean it to the side
(?) ya heart, ya almost lost it
36 bezel coat and you didn't even know what it cost ya
Got that migos collar
Caught a 7 brick nap when I put that on my grandma
Off 7 thousand keisha, but I'm always smokin' granddad, yeah
And I put that on my grandma, how quan get that lema?
And I put that on my grandma, yeah
You want that work, I'm pullin' up, I'll send it threw the air
I put that on my grandcousin, I got bricks here
You want that work, I'm pullin' up, I'll send it threw the air
I put that on my grandcousin, I got bricks here
