Andrew Bird

See a sea anemone, the enemy see a sea anemone  
And that'll be the end of me  
While the vicious fish was caught unawares  
In the tenderest of tendrils  
See a sea anemone, the enemy see a sea anemone  
And that'll be the end of me, that'll be the end of me  
While the vicious fish was caught unawares  
In the tenderest of tendrils  
Underneath her tender gills I will become this animal  
Perfectly adapted to the music halls  
Oh and I will become this animal  
Anomalous appendages, anonanimal, anonanimal  
Anonanimal, anonanimal  
Anonanimal, anonanimal  
Hold on just a second  
Don't tell me this one you know  
I know this one, I know this song  
I know this one, I love this song  
Hold on just a second  
Don't tell me this one you know  
I know this one, I know this song  
I know this one, I love this song  
I know this one  
Underneath the stalactites  
The troglodytes lost their sight, oh  
The seemingly innocuous plecostomus though posthumous  
They talk to us, they talk too much  
See a sea anemone, the enemy see a sea anemone  
That'll be the end of me, that'll be the end of me  
Vicious fish was caught unawares  
In the tenderest tendrils  
Underneath her tender gills and I will become this animal  
Perfectly adapted to a music hall  
I will become this animal  
Anomalous appendages, anonanimal, anonanimal
