Open Our Eyes

Earth, Wind And Fire

Father, open our eyes, that we may see
To follow Thee, oh, Lord
Grant us Thy lovin' peace, oh yeah
And let all dissension cease
Let our faith each day increase, oh yeah
And Master, yeah, please, yeah, oh pleaseOpen our eyes, open our eyes
Open our eyes, Lord, open our eyesHe has given us, hills and mountains
He has given us, oh yeah, level plains
He has given us food and clothing
Gave us shelter from the storm and rain, oh yeah
And all that He provided
Kept us good, good, oh yeah
From the storm and the plagueGrant us Thy lovin' peace,
And let all dissension cease
Let our faith each day increase,oh yeah
And Master, yeah, Lord, yeahOpen our eyes, open our eyes
Open our eyes, oh, open our eyesYeah, yeah, ah, Lord
And smile down on Your helpless children
Yeah, Master, yeahOpen our eyes, yeah, open our eyes, yeahYeah, yeah
Well, want You to smile down
On Your helpless children
Smile down on Your helpless children
Hey, Master, do You hear me?
Say, Master, can You hear me?
Hey, Master, heySmile down on all the helpless children
And starving children all around the land
Yeah, everybody walkin' 'round
Nobody wanna be a man
