

Take It on the Run

REO Speedwagon

Heard it from a friend who, heard it from a friend who
Heard it from another you been messin' around
They say you got a boyfriend, you're out late every weekend
They're talkin' about you and it's bringin' me downBut I know the neighborhood
And talk is cheap when the story is good
And the tales grow taller on down the line
But I'm telling you, babe, that I don't think it's true, babe
And even if it is keep this in mindYou take it on the run baby
If that's the way you want it baby
Then I don't want you around
I don't believe it, not for a minute
You're under the gun so you take it on the runYou're thinking up your white lies
You're puttin' on your bedroom eyes
You say you're coming home but you won't say when
But I can feel it coming if you leave tonight keep running
And you need never look back againYou take it on the run baby
If that's the way you want it baby
Then I don't want you around
I don't believe it, not for a minute
You're under the gun so you take it on the runYou take it on the run baby
If that's the way you want it baby
Then I don't want you around
I don't believe it not for a minute
You're under the gun so you take it on the runTake it on the run baby
If that's the way you want it baby
Then I don't want you around
I don't believe it, not for a minute
You're under the gun so you take it on the runHeard it from a friend who, heard it from a friend who
Heard it from another you been messin' around
