

# Moving Target

Brock Wilbur

She's like a moving target  
Every time I wanna come and get close  
She fades away  
She's like a moving target  
If I don't hurry up and lock that  
She will get away  
Every time I step up and dance  
She always looks away  
But I know she's watching me  
She thinks that I don't know  
What's going down  
It's all up in her eyes  
So I know that she's feeling me  
Can't stop thinking about it  
It's about time I let her know  
Ain't no secret about it  
You want me girl, it shows  
Girl you know, it feels like a dream  
'Cause you fading out my life  
And you know  
It hurts when you leave  
But I know that it ain't goodbye  
She keeps moving and keeps moving  
'Cause she's my moving target  
She's like a moving target  
Every time I wanna come and get close  
She fades away  
She's like a moving target  
If I don't hurry up and lock that  
She will get away  
She's like a mystery to me  
This girl has got me thinking  
And I don't even know her name  
And every time she come around  
She don't know but money ain't a thing  
I can make it rain  
Can't stop thinking about it  
It's about time I let her know  
Ain't no secret about it

You want me girl, it shows  
Girl, you know  
It feels like a dream  
'Cause you fading out my life  
And you know  
It hurts when you leave  
But I know that it ain't goodbye  
She keeps moving and keeps moving  
'Cause she's my moving target  
She's like a moving target  
Every time I wanna come and get close  
She fades away  
She's like a moving target  
If I don't hurry up and lock that  
She will get away
