Wolfmother

Syd Matters

Travel through the seasons, whenever they change
May you hold til summer when the colors are so strange.See I've found a treasure at the bottom of the sea
May I hold my breath til the autumn of my years.While you were hunting wolves i was gathering the dead leaves.
While you were coming home i was petrified at the movies.
You said you were inside when the house burned, when the house burned down.
You said you were inside and the fire ate your skin.Oh mum help us all.The time of our singing, in your left eye in motion.
Flames were dancing or was it just the reflection
Of someone burning, everyone burning.
Everyone, everything.
Everyone, everything.
Reversing, reverse
Don't burn
Don't burn
