The Worst Way

Ashley Rivera

Your eyes are Embers, burn me alive,
I'm coming closer, to the fire
I..I..I..I..I let my secrets out to play
I..I..I..I..I want you in the worst, way
..... Music....
This ice is dangerous, to the life I had,
I'm only Icarus, melting waaaaax,
I..I..I..I..I let my secrets out to play
I..I..I..I..I want you in the worst waaaay
..... Music.....
Bring me down like you do, who am I apart from you, my world falling at your feet, watch you make a flower bleed
I..I..I..I..I let my secrets out to play
I..I..I..I..I want you in the worst way...
I..I..I..I..I let my secret slip away
I..I..I..I..I want you in the worst waaaay, Worst waaaay....Worst waaaaay.... Music....
