(Block B)

Make your heart hot, make your words rough,  
Be cool as you shout, hahahaha  
Make your eyes cold, make your heart tight,  
Loudly shout, hahaha

(Louder!)

Yeah, I only journey to places  
With storms and rough waves  
I donâ€™t need an uneventful life,  
Iâ€™m a man of self-assertion  
Who does whatever he wants  
When youâ€™re sleeping with sweet dreams,  
I stay up all night fulfilling new dreams  
I look high instead of far because  
I have no regrets, canâ€™t stop

(Canâ€™t stop) So let it go,  
Cover the truth  
Hide it so they can never see it  
Run forward and shout  
I donâ€™t wanna go! I donâ€™t wanna go!  
Out of my sight!

Make your heart hot, make your words rough,  
Be cool as you shout, hahahaha  
Make your eyes cold, make your heart tight,  
Loudly shout, hahaha  
(Louder!)

let it flow way is too low  
can never let it go  
let it flow way is too low  
got it just before

let it flow way is too low  
can never let it go  
let it flow way is too low  
got it just before

(Canâ€™t stop) So let it go,  
Cover the truth  
Hide it so they can never see it  
Run forward and shout  
I donâ€™t wanna go! I donâ€™t wanna go!  
Out of my sight!

Make your heart hot, make your words rough,  
Be cool as you shout, hahahaha  
Make your eyes cold, make your heart tight,  
Loudly shout, hahaha

(Louder!)

My path, at the end of this road  
I will look toward heaven and smile  
I don't need a recipe for success,  
I will follow myself, I believe in way  
The sun and moon doesn't wait,  
I'm sharpening my knife even now  
The footsteps that I take today  
Will be a milestone for the future

Make your heart hot, make your words rough,  
Be cool as you shout, hahahaha  
Make your eyes cold, make your heart tight,  
Loudly shout, hahaha

Make your heart hot, make your words rough,  
Be cool as you shout, hahahaha  
Make your eyes cold, make your heart tight,  
Loudly shout, hahaha  
(Louder!)
