

# Over You

Mike Andersen

I followed you  
through the pouring rain  
so it's true  
that you're back with him again  
well I know it was me who walked out  
now you're free but I doubt  
he can ease, ease your pain but I'm not jealous  
I'm not jealous, no no  
I'm not jealous  
don't get me wrong  
I'm a grown up man  
and I'm over you  
I'm standing here  
watching you through the drapes  
then he appears  
I recognize his doggone face  
and I try not to go crazy inside  
when they turn out the lights  
and though my body, though my body shakes I'm not jealous  
I'm not jealous  
I'm not jealous, baby  
I'm a grown up man  
and I'm over you and I try not to go crazy inside  
when they turn out the lights  
and though my body, my whole body shakes  
I'm not jealous  
I'm not jealous, no no  
do you really think I care  
what you do now baby  
I'm way over you well I'm not jealous  
I'm not jealous, no no  
don't get me wrong  
I'm a grown up man  
and I'm over you  
and I'm over you
