

# Mindless Boogie

## Hot Chocolate

As the bomb goes Neutron  
So for you and I  
will the finger on the button decide  
If we live or if we die?  
The more you think, think  
The more you blow, your mind  
The more you search for a peace here  
The less that you will find

Dance mindless boogie till we drop, don't stop  
Music is the drug  
Music is the drug we're searching for  
Mindless boogie, boogie, boogie, boogie  
Boogie, boogie, boogie, don't stop  
Mindless boogie, boogie, boogie, boogie  
Boogie, boogie, boogie till we drop  
Dance, dance

Nine hundred or more commit mass suicide in Jonestown  
Very strange, very strange  
More than ever  
The world needs God's helping hand  
Confused, we don't seem to know  
What we're doin'  
Like a blind man  
Spinnin' round in space

Dance mindless boogie till we drop, don't stop  
Music is the drug  
Music is the drug we're searching for  
Mindless boogie, boogie, boogie, boogie  
Boogie, boogie, boogie, don't stop  
Mindless boogie, boogie, boogie, boogie  
Boogie, boogie, boogie till we drop  
Dance, dance

Like clones and robots that we are  
Music is the drug we're searchin' for  
Mindless boogie, boogie, boogie, boogie
