

# Fantasy End

[Carole King](#)

Now that I've expressed my soul  
I'll step back into my real life role  
And hope I've brought you back across the line  
You may think there's nothing you can do  
To change what's all too true  
But all you have to do is use your mind  
In fantasy you can be anything you want to be  
And someday our reality will be as good as never never land
