

# From a Whisper to a Scream

[Allen Toussaint](#)

From a whisper in the wind to a loud scream

The message came that I've lost you

To the warmth of another manFor heaven sakes, girl, don't do this to meI've seen more tears fall from your eyes

Than all the showers of April

I took kindness for granted

As if it came with the wallpaperSo inconsiderate of how much you cared

For some stupid reason I just thought you had to be thereBut, oh my love, you've lost it

Oh, my love, she's gone

My love, you've lost it

She's long goneFor heaven sakes, girl, don't do this to meI simply must have been crazy

I must have been out of my mind

To overlook the need in you

How could I have been so blindNever giving thoughts to your wants and needs

But now I'm begging, my baby, please, please, pleaseBut oh, my love, you've lost it

Oh, my love, she's gone

My love, you've lost itSo inconsiderate of how much you cared

For some stupid reason I just thought you had to be thereBut oh, my love, you've lost it

Oh, my love, she's gone

My love, you've lost it

She's long gone
