

# No One's Leaving (Demo)

## Jane's Addiction

I'm a white dread, I'm a white dread, so?  
I'm a got a ring and I hang it through my nose  
Got a little game, take it to the park  
Don't care who plays, long as the game is on  
Sister and her boyfriend slept in the park  
Had to leave home because he was dark  
Now they parade around in New York with a baby boy  
He's gorgeous, ain't nobody leaving, let's go  
No one is leavin'  
Blacks call each other 'brother' and 'sis'  
Count me in because I've been missed  
I've seen color changed by a kiss  
Go ask my brother and my sister  
Sister and her boyfriend slept in the park  
Had to leave home because he was dark  
Now they parade around in New York with a baby boy  
He's gorgeous, ain't nobody leaving, act wild  
No one is leavin'  
No one is leavin'  
And that's right  
And that's so, go  
I wish I knew everyone's nickname  
All their slang and all their sayings  
Every way would show affection  
How to dress to fit the occasion  
Now I wish we all waved  
All waved  
All waved  
I wish we all  
Wish we all  
Wish we all waved
