

# Blind (Motik Lok Edit)

## Hercules and Love Affair

As a child, I knew  
That the stars could only get brighter  
And we would get closer  
Get closer, mmmAs a child, I knew  
That the stars could only get brighter  
That we would get closer  
Leaving this darkness behindOohNow that I'm older  
The stars should lie upon my face  
When I find myself alone  
Find myself alone, oohNow that I'm older  
The stars should lie upon my face  
And when I find myself alone  
I feel like I, I am blindFeel it  
Feel it  
Feel it  
Feel it  
Like I am blindI wish the stars could shine now  
For they are closer, they are near  
But they will not present my present  
They will not present my presentI wish the light could shine now  
For it is closer, it is near  
But it will not present my present  
And it makes my past and future painfully clearTo hear you now  
To see you now  
I can look outside myself  
And I must examine my breath and look inside, oohTo see you now  
To hear you now  
I can look outside myself  
And I must examine my breath and look inside  
Because I feel blind  
Because I feel blindI feel it  
I feel it  
I feel it  
Like I, I'm blindOoh, the movie will  
Mmm, and feel it  
Ooh, I feel it  
Feel it  
Feel it, feel it

Ooh, I feel it
