

Hallelujah, I Love Him So

Norah Jones

Let me tell you 'bout a boy I know
He's my baby and he lives next door
Every morning 'fore the sun comes up
He brings me coffee in my favorite cup
That's why I know yes I know
Hallelujah I just love him so When I call him on the telephone
And tell him that I'm all alone
By the time I count from one to four
I hear him (knock knock knock) on my door In the evening when the sun goes down
And there is nobody else around
He kisses me and he holds me tight
And whispers baby everything is alright
That's why I know yes I know
Hallelujah I just love him so When I call him on the telephone
And tell him that I'm all alone
By the time I count from one to four
I hear him (knock knock knock) on my door In the evening when the sun goes down
And there is nobody else around
He kisses me and he holds me tight
And whispers baby everything is alright
That's why I know yes I know
Hallelujah I just love him so yeah Hallelujah I just love him so oh
Hallelujah I just love him so
