Cryin' over Time

Case

It's another sleepless night
Without you girl
Things didn't turn out right
Time to move onEvery night the tears fall from my eyes
To wash away the loneliness
Long after your tears have dried
I'll be cryin' over time, over timeLife just seems so cold
With a lonely heart
But it's so hard to let go
Of this love that I feel for youFor every night the tears fall from my eyes
To wash away the loneliness
Until I get you off my mind
I'll be cryin' over timeSee, I'm down on my knees
And I'm lonely
I need you to come back to meEvery night the tears fall from my eyes
To wash away the loneliness
Until I get you off my mind
I'll be cryin'Can't you see what it's doing to me
You've got me cryin' over timeHold me closely again
I'm so sorry, I'm so sorry
See it's come down to this
I'm down on my knees begging you
And I'm cryin' over timeSaid, I need you, said I want you
I'm cryin' over time
Over time I'm cryin'
What do I got to do?Every night that I cry too much to hide away
Feel so bad, I'll be cryin' over time
Every night that I cry too much to hide away
Feel so bad, I'll be cryin' over timeOver time
Over time
Over time
