The Grind

4Lyn

turn your radio off
turn your video off
turn your stereo off
and kick that shit out your window
hit the streets
feel these beats
cuz what I'm gonna show you
is exactly what you need!chorus:
so, if you're with it - all night!
just abmit it - alright!
cuz tonight is going down
girls - shake you're body!
boys - grab a hottie!
oh oh - let's get naughty
everybody just grab somebody
now, everybody sing
I'm gonna get
I won't let it go for a minute
as long as you are with itthis ain't no trick or treat
it's a stick up for sweets
where even crybabies get some
we've got a common position
a low inhibition
and lots op ammunition, girl!chorus
if you try to slow us down
we show everyone around
that there is no way you can stop us
cuz tnight we're scandallous
even cops can handle us
cuz tonight we're on the grindchorus
