

Out My Head

Mary J Blige

The moment I saw ya,
I knew I had to get with ya,
You had this thing that really caught my eye (caught my eye),
When you walked up to me,
I knew you were something special,
Cause you didnâ€™t kick the same old lines,
Whatâ€™s your name, whatâ€™s your sign, girl,

Is it all in my mind,
Think about you all the time,
Canâ€™t get you out my head,
I donâ€™t know what to do,
Canâ€™t seem to shake you,
I canâ€™t get you out my head,
Look at what you do to me,
With you is where I want to be,
I just want to be with you,
Be with you.

I got me thinking about ya,
I want to hook up with you later,
Cause see a girl like me,
Can never get a guy like you,
Because I heard it all before,
And I donâ€™t want to hear no more,
But you said all the right things,
And let me know you did it right.

Is it all in my mind,
Think about you all the time,
Canâ€™t get you out my head,
I donâ€™t know what to do,
Canâ€™t seem to shake you,
I canâ€™t get you out my head,
Look at what you do to me,
With you is where I want to be,
I just want to be with you,
Be with you.

Is it all in my mind,

Think about you all the time,
Canâ€™t get you out my head,
I donâ€™t know what to do,
Canâ€™t seem to shake you,
I canâ€™t get you out my head,
Look at what you do to me,
With you is where I want to be,
I just want to be with you,
Be with you.

Boy Iâ€™m so crazy about ya,
Canâ€™t wait til I get with ya,
(Oh oh)
I never felt this way that Iâ€™m feeling
No oneâ€™s ever done this to me,
Left this impression on me,
(Oh oh)
And I canâ€™t believe I want you here with me,

Is it all in my mind,
Think about you all the time,
Canâ€™t get you out my head,
I donâ€™t know what to do,
Canâ€™t seem to shake you,
I canâ€™t get you out my head,
Look at what you do to me,
With you is where I want to be,
I just want to be with you,
Be with you.

La la la la la la,
I just wanna be with you, be with you,
La la la la la la,
I just wanna be with you, be with you,
La la la la la la,
I just wanna be with you, be with you,
La la la la la la,
I just wanna be with you, be with you.

Is it all in my mind,
Think about you all the time,
Canâ€™t get you out my head,
I donâ€™t know what to do,
Canâ€™t seem to shake you,
I canâ€™t get you out my head,

Look at what you do to me,
With you is where I want to be,
I just want to be with you,
Be with you.
