

# Stoned On You

Natty

I get stoned on you (yeah, yeah), I get stoned on you. They're telling me to let myself go, but I just drink cocoa  
and get higher

And as my soul grows old I'll be warming my hands by your fire

Cos the more I take the more I make mistakes, while the more you give I see the woman I'm with  
I'm telling you her words resonate through my head like a choir She says... days, some days are low

But you don't worry, just keep on going I get stoned on you (yeah, yeah), I get stoned on you  
I get stoned on you (yeah, yeah, yeah), I get stoned on you I said stop, stop, stop, let me say it again

Cos if you don't know, then I'm gonna say it again

I'm telling you my girl gets me stoned yea my girl gets me stoned like aaah

I'll be sitting in London but feel like I'm in Jamaica

Where I could rest my head against a shoe black tree

Listen to Marley whilst she speaks to me (sweetly)

And the things that she says eases my head and I get more and more I get stoned on you (yeah, yeah), (yes I) I  
get stoned on you

I get stoned on you (yeah, yeah, yeah) I get stoned on you (What she say?) she says ...days, some days are low

But you don't worry, just keep on going

She says... days, some days are low

But I don't worry, cos she gets me stoned I get stoned, I get stoned on you

I get stoned, I get stoned on you I get stoned on you (yeah, yeah)

I get stoned on you (lets stay high tonight) Yes, I get stoned on you and it's alright

I get stoned on you (can we stay high tonight?)
