She Cried

The Lettermen

And when I told her I didn't love her anymore,
she cried!
she cried!

and when I told her her kisses were not like before,
she cried!
she cried!

I thought our romance was over and done,
but to her it had just begun.

and when I told her another girl had caught my eye,
she cried!
she cried!

and when I kissed her a kiss that only meant goodbye,
she cried!
she cried!

And when I told her I didn't love her anymore,
she cried!
she cried!
she cried!
she cried!
