All 4 one

One

All 4 one and one 4 all
We stand united, we stand tall
I Know if we are together
It happens naturally

This is our life, and we're livin our dream
Come join the ride, Be a part of our team

We're stronger than before
Louder than before
We are that we are and we are sure

All 4 one and one 4 all
We stand united, we stand tall
I Know if we are together
It happens naturally

All 4 one and one 4 all
We are a team, we climb the walls
I Know together forever
We live our Dream

Everything changed, it's a new experience
Life rearranged, come and be one of our friends

We're faster than before
Harder than before
You just have to scream if you want more

All 4 one and one 4 all
We stand united, we stand tall
I Know if we are together
It happens naturally

All 4 one and one 4 all
We are a team, we climb the walls
I Know together forever
We live our Dream
