Move

Little Mix

Mm, Mm, Mm, Mm, ahh, Mm, ahh, Mm, ah, Mm, ah, Mm)Hey baby tell me your name
I gotta fever for ya I just can't explain
But there's just one problem I'm a bit old school
When it comes to lovin' I ain't chasin' you
Hate waitin' I'm on a roll you've got to let yourself goOh, you know that I've been waitin' for you
Don't leave me standin' all by myself
Cause I ain't lookin' at no one else
(Oh babe)Hey get your back off the wall
Don't you get comfortable
Lookin' so hot I think that I might fall
Feelin' like its my birthday like Christmas day came early
Just what I want so when we move, you move
Get your back off the wall
Don't you get comfortable
Lookin' so hot I think that I might fall
Feelin' like its my birthday like Christmas day came early
Just what I want so when we move, you moveOh silly, why you afraid
Don't be a big baby quit playing games
Put your arms around me you know what to do
And we can take it down lowOh, you know that I've been waitin' for you
Don't leave me standin' all by myself
Cause I ain't lookin' at no one else
(Lookin' at no one else)
(Aye yeah)Oh!) Get your back off the wall
(Oh!) Don't you get comfortable
Lookin' so hot I think that I might fall
Feelin' like its my birthday like Christmas day came early
Just what I want so when we move, you move
Get your back off the wall (Oh yeah)
Don't you get comfortable
Lookin' so hot I think that I might fall (Yeah, yeah)
Feelin' like its my birthday like Christmas day came early
Just what I want so when we move, you moveI know that you wanna but you can't
Cause you gotta stay cool in the corner
When the truth is that you wanna move
(Ahhh) So move (Ahhh)
I know that you wanna but you can't
Cause you gotta stay cool in the corner
When the truth is that you wanna move

So move
Move it babyOh, you know that I've been waitin' for you
Don't leave me standin' all by myself
Cause I ain't lookin' at no one else
Lookin' at no one else, lookin' at no one elseHey, hey I'm ready!
Hey, but come and get me!
Don't be scared show me what you do
Don't you know a girl like a boy who moves?
Hey, hey I'm ready!
Hey, but come and get me!
Don't be scared show me what you do
Don't you know a girl like a boy who moves?Hey! Get your back off the wall
(Get your back up off the wall)
Don't you get comfortable
Lookin' so hot I think that I might fall
Feelin' like its my birthday like Christmas day came early
Just what I want so when we move, you moveHey, hey I'm ready! (Mm)
Hey, but come and get me!
Don't be scared show me what you do
Don't you know a girl like a boy who moves?
