

Teach Me

The Highway Q.C.'s

TEACH ME (How to Pray) Lord, while I'm on this Christian journey will you guide me?

Oh, while I'm on this Christian journey

Father will you guide me?

Lord, while I'm, I'm on this Christian journey will you guide me?

I want you to teach me how to watch, hide, and pray. Lord, while I'm, I'm down on bended knee, will you guide me?

Lord, while I'm down on bended knee, will you guide me?

Lord, while I'm down, will you guide me?

All I want you to do

Teach me how to watch, hide, and pray. Lord, I said but when I, I cried all night long

Now will you., guide me?

Lord, when I cried, I cried all night long

I wonder will you guide me?

Come on Jesus.

When I cried, I cried all night long

I wonder will you guide me?

And all I want you to do is teach me , how to watch, hide, and pray. Lord.

Well...

I want you to teach me

(Teach me how to pray)

Teach me like you taught Paul and Silas.

(Teach me how to pray)

When they was all bowed down in jail.

(Teach me how to pray)

And gently Paul said to Silas that morning

(Teach me how to pray)

Silas I want you to sing the song.

(Teach me how to pray)

And I'll pray a prayer this morning

(Teach me how to pray)

And Paul fell down on a bended knee

(Teach me how to pray)

Begin to call on his father in Heaven

(Teach me how to pray)

Oh Father

(Teach me how to pray)

I want you to teach me Father

(Teach me how to pray)

And after a while the jail door flew open

(Teach me how to pray)
And Paul said, "Teach me Jesus".

(Teach me how to pray)
Well I want you to teach me
(Teach me how to watch),

Lord

(Hide and pray)

Lord
