K-Ci & JoJo

Girl I really love you
you gonna love me
I know you gonna love me
JoJo:don't you know that the feelings are so real deep down in our souls tonight
K-Ci:Ooh wee-last night I wrote a letter to you, I want you to know
JoJo:don't you know that the feelings are are so real deep down in our souls tonight
K-Ci:and you know
JoJo:I really love you
Girl I really love you
You gonna love me
I know you gonna love me
K-Ci:Can I get a witness
JoJo:We're gonna do it this time
can't nobody
ain't nobody
can't nobody sing like us
JoJoJo

JoJo:don't you know that the feelings are real so deep down in our souls tonight.
