

This May Be the Last Time

The Staple Singers

This may, This may be my last time
This may, This may be my last time children
This may, This may be my last time
Maybe my last time, i dont know Well,
in da mornin
Well,
lor' I
Hard on, sicken soul
Ooh lord
How can will, came Jesus
But i found my wash n wool
This may, This may be my last time
This may, This may be my last time children
This may, This may be my last time
Maybe my last time, i dont know Maybe in the mornin'
Well,
lor' I
How
Woooah, lord
Maybe until midnight
I don't know
This may, This may be my last time
This may, This may be my last time children
This may, This may be my last time
Maybe my last time, i dont know
Maybe my last time, i dont know
Maybe my last time
