Kiss Me Like a Stranger

Thomas Rhett

Busy working hard, wrapped up in my job, we got bills to pay
Lately, when we talk, it feels like I don't hear a single word you say
Can we get back to the basics
And find that young love and make it
Tear down all these walls, ignore all of our calls, and just stay inKiss me like a stranger
Baby, hold me like we've never met
Every touch, a little danger
Like you ain't gotten used to me yet
Strike a match, light the fuse
You and I, we could use some reckless behavior
So, baby, kiss me like a stranger
Ooh Ooh OohLightning on my skin
Every touch remembering what you mean to me
Let me reminisce my lips on your lips like a symphony
You're playing on my heartstrings
Kiss me like a stranger
Baby, hold me like we've never met
Every touch, a little danger
Like you ain't gotten used to me yet
Strike a match, light the fuse
You and I, we could use some reckless behaviorSo, baby, kiss me like a stranger
It's been a little crazy lately, come on and remind me, baby
Well, girl, don't keep me waiting
Come on over my way and lay it on meAnd kiss me like a stranger
Baby, hold me like we've never met
Every touch, a little danger
Like you ain't gotten used to me yet
Strike a match, light the fuse
You and I, we could use some reckless behavior
So, baby, kiss me like a stranger
Ooh, won't you kiss me, won't you kiss me
Won't you kiss me like a stranger
Mmm, yeah, won't you kiss me like a stranger
Ooh, I got plans for you, I got plans for you
I got plans for you, I got plans for you
Kiss me like a stranger
I feel it now, ooh, I feel it now, ooh, I feel it now, ooh
