Peace Sign

We Were Promised Jetpacks

It's you and me
I've been working on my peace sign
I've been working like a dog all day
I've been walking over egg shells
I've been slipping on the yokes of
Say goodbye to me
There's on the paper
Find it hard to agreeCome sit with me
I'll be thinking about your bee stings
I'll be thinking about a bed night you
I've been fucking up my punch lines
Say goodbye to me
There's letters on the pavement
I find it hard to breathe
