

# Now That You're Gone (Original CHIC Mix)

[Diana Ross](#)

My nights grow long  
My nights grow long  
Now that you're gone  
My nights grow long Now that you're gone  
Now that you're gone  
My nights grow long  
Now that you're gone Now that you're gone  
I'm living my life all alone  
Or hit by a blow  
To my pride  
But I'm doing ok I won't let you see  
What this has done to me  
I guess I'll just take it in stride  
Come what may My nights grow long  
My nights grow long  
Now that you're gone  
My nights grow long Now that you're gone  
Now that you're gone  
My nights grow long  
Now that you're gone How can one do what should be done by two  
I guess that's a crazy question to ask  
I might seem happy  
But don't be fooled by my appearance  
Make no mistake  
I'm just wearing a mask My nights grow long  
My nights grow long  
Now that you're gone  
My nights grow long Now that you're gone  
Now that you're gone  
My nights grow long  
Now that you're gone My nights grow long  
My nights grow long  
Now that you're gone  
My nights grow long Now that you're gone  
Now that you're gone  
My nights grow long  
Now that you're gone My nights grow long  
My nights grow long  
Now that you're gone

My nights grow long Now that you're gone  
Now that you're gone  
My nights grow long  
Now that you're gone Now that you're gone  
Now that you're gone  
My nights grow long  
Now that you're gone My nights grow long  
My nights grow long  
Now that you're gone  
My nights grow long
