Stunning

8mm

you make you case oh so well
and i can tell
its the same old song and dance
b ut i cant help feeling
we jsut might
might get it right this time
but i cant help feeling
boy im dreaming
just who are we kidding babe?

and isnt it stuning
how im gonna fall again
and isnt stunning divine and fine to find myself
in your binds again
hopeless to no end
and isnt it stunning?
how we both know
its gonna end

ooh maybe if it werent so fun
and ooh ooh ooh if i didnt
think that you were the one
i might walk i might talk
like i had some pride
but i cant help feeling
that its in your arms
in your arm ive died

and isnt it stunning
how im gonna fall again
and isnt it stunning divine and fine to find myself
in your binds again
hopeless to no end
and isnt it stunning
how we both know its gonna end

i could be your everything, if you let me
if you let me
i could be your everything if you let me
if you let me...
