

# Claustrophobia

## Lacuna Coil

Claustrophobic hate  
Starts a chain reaction  
If it doesn't kill you If love is the answer  
Why does it feel so good to hate?  
I don't give a damn about heart shaped lies anymore  
I don't need forgiveness  
I don't want to listen to your prayers  
I want to rise up to the stars above  
And fall down to the ground above Why  
Why don't you try  
Why don't you stay with me?  
(Time is over)  
When I'll be gone  
You will be suffering for me  
(Time is over)  
You think that I am worthless  
Like one of your dolls that feeds on pain  
I don't give a fuck about heart shaped clouds  
I will open my eyes  
Stay away from you Why  
Why don't you try  
Why don't you stay with me?  
(Time is over)  
When I'll be gone  
You will be suffering for me  
(Time is over) Why  
Why don't you try  
Why don't you kill me?  
(Time is over)  
When I'll be gone  
You will be suffering for me  
Why  
Why don't you try  
Why don't you stay with me?  
(Time is over)  
When I'll be gone  
You will be suffering for me  
(Time is over) Why  
Why don't you try

Why don't you kill me?  
(Time is over)  
When I'll be gone  
You will be suffering for me  
(Time is over) Claustrophobic hate  
Starts a chain reaction  
If it doesn't kill you  
It will shape your life  
I don't need forgiveness  
I don't want to listen to your prayers  
I want to rise up to the stars above  
And fall down to the ground alone  
Will hate be the answer?
