

# Where Do We Go from Here?

Charles Bradley

[Chorus]

Where do we go from here?  
Where do we go from here? Baby, I know you love me  
Make me strong, don't make me weak  
Give me that candy  
Play with my mind  
You're begging me down  
Let's make this strong  
I know that you want  
Baby  
And I won't be too long [Chorus]  
Where do we go from here?  
Where do we go from here? Gotta make that change  
We gotta all make that change  
My brothers and my sisters  
It's time to make this world a private place  
For the generation to come  
Can find love and peace  
What for the last of it  
So I'm gonna tell you over and over again Brothers, sisters, let's sing to it  
From the heart  
Come on  
Come on! [Chorus: x2]
