

# No Sympathy From the Devil

## Public Enemy

No sympathy...  
No sympathy...News fit for rhyme  
BS fit to spit  
The hate that hate produced  
Swung up in a noose  
Most them history pages  
Comin' off stages  
Colors genders and ages  
Devil  
Black brown yellow red but  
White  
Supremacy  
Tendency in currency  
Estrogen  
Robbin my oxygen  
Still dissin skin  
Inform my next of kin  
(Now get in the back of the car  
For What?  
Let's go!)Crazy  
Govt created grown up  
80s crack babies  
Treat your ass cold  
Till the frostbite bites  
In December  
The devil remembers  
Man don't you worry 'bout (God) No! Get down  
Man don't you worry 'bout (Evil) No! Get down  
Man don't you worry 'bout (God) No! Get down  
Man don't you worry 'bout (Evil) No! Get down  
Pitch black  
It was you who got in the devil's bed  
Didn't you see this coming?  
The great satan, a global terrorist  
Didn't you see the smoke?  
Maybe it's time for us to pick up the gun  
No sympathy from the devil  
Ain't lettin it slide  
Flippin  
Love  
And genocide

Ain't forgiven that spit  
That came wit a  
Culture kit  
Since when did you decide  
The truth should hide  
You 20-30-40 I'm 55  
Double nickel  
Sick this cell  
Like sickle  
I ain't your typical  
Watch what you heard  
Ain't revenge of the nerds  
I'm in my September  
But the devil remembers  
Man don't you worry 'bout (God) No! Get down  
Man don't you worry 'bout (Evil) No! Get down  
Man don't you worry 'bout (God) No! Get down  
Man don't you worry 'bout (Evil) No! Get down  
There's been nights  
Where them knights cursed us  
Who fills the jail cells right up and first us  
I don't believe a damn word I receive  
Gotta lotta nerve saying  
If you dont like it just leave  
Like who gives a damn  
If they kill another man  
Woman or child  
Behind another smile  
Now see young folk  
Pass the baton  
In the same ol' thing  
Carry on  
Carry on  
No sympathy
