

# Hopeless Nation

## Warzone

Advisory - the following lyrics contain explicit language:

Money and power for the upper class  
lessons not learned from the past  
Poor class, middle class,  
no class set up and framed  
Old boy network playing their game  
Hopeless nation, no future for me  
Hopeless nation, no future for you  
Hopeless nation, seconds to go  
Hopeless nation, gonna die slow  
All that money, all that crime  
all the rich, all the time  
It's all over the world  
every government on this earth  
All the money, all the crime  
all the rich, all the time  
It's all over the world  
every government on this earth  
Hopeless nation, no future for me  
Hopeless nation, no future for you  
Hopeless nation, seconds to go  
Hopeless nation, gonna die slow  
Seconds to go  
and we're all dying slow  
Famine and war  
hatred and death, and you think  
your country is the best  
Wake up and see reality  
Wake up and see misery  
Wake up and see death at the door  
Wake up and see life no more
