

Speak to Me

Roxette

Speak to me with tenderness
Speak to me with gracefulness
Speak to me with happiness and love Speak to me in loneliness
Speak to me in bitterness
Speak to me in faithlessness with love You want to hide when youre alone
Where do you run to when youre on your own?
Youre looking to find some peace of mind
But nothings in sight at the end of the line, oh no Speak to me in emptiness
Speak to me in failed success
Speak to me in speechlessness with love You want to hide when youre alone
Where do you run to when everythings gone?
Youre looking to find a good thing in life
But nothings in sight at the end of the line So where do you hide when youre alone?
Where do you run to when youre on your own?
That dream in the dark just sank like a stone
That voice in your heart,
It wont come to the phone,
It never comes Speak to me with tenderness
Speak to me with gracefulness
Speak to me with happiness and love Speak to me in loneliness
Speak to me in bitterness
Speak to me in faithlessness with love Speak to me
Speak to me
With love
