Shade Me (feat. Rockit)

Rockit Gaming

So Confused, How
Could It Ever Happen Like This?
My Cartoons, What
Did I Do To Deserve This?

Hey!

Don't Be Mislead
He's Only Trying To Suck You In
But The Truth Is
It's Only In My Head
Just Pretend
Not Again
It's Intense
I Invented This Torment

Will He Get His Revenge?

Shade Me With The Ink Machine
Bendy's Gonna Erase Me
These Walls Tearin' Up Like Paper
Black, White, And The Lack Of Color
Shade Me With The Ink Machine

Hehe... Let's Go, Bendy

Bendy's Comin' Straight Outta Paper
2D, 3D To Meet His Maker
Pop The Pen Cap, I'm The Creator
Wrote This Whole Song Without An Eraser
Why Does He Want Me, Why Does He Haunt Me
Is It Cause He's Only Wanting A Sense Of Belonging?
A Cartoon That Is Watching Everything I Do, It's Exhausting

I Got Ink All Over Me...

These Halls, Trap Doors, and False Walls
Ink Splats, I Slip Up and I Fall
Plummet, I Crash Down, Makin' A Fracture
My Foot Breaks, Now I'll Never Get Out

Stunned, He's Lookin' At Me With A Grin, Can't Run
Jumpin' To Scare Me, It's Humorous, Huh?
Bendy And The Ink Machine, Sorry Apologies

Shade Me With The Ink Machine
Bendy's Gonna Erase Me
These Walls Tearin' Up Like Paper
Black, White, And The Lack Of Color
Shade Me With The Ink Machine

Shade Me, Trace Me
Bendy, Bendy
Shade Me, Shade Me
From The Truth

Shade Me, Shade Me, From The Truth x3

BENDY, SHADE ME

Shade Me With The Ink Machine
Bendy's Gonna Erase Me
These Walls Tearin' Up Like Paper
Black, White, And The Lack Of Color
Shade Me With The Ink Machine (all x2)

Shade Me, Trace Me
Bendy, Bendy
Shade Me, Shade Me
From The Truth
