

B.G.M.O.S.R.N.R.

Jonathan David McPherson

I need another shot of that sweet Rock n' Roll
Gotta have another night of that sweet Rock n' Roll
Let me hear another note of that sweet Rock n' Roll
Let the bad times go with that sweet Rock n' Roll
Don't fool around or bring it down
Just let me dance to the sweet little Rock n' Roll beat
We hit a big gold mine of that sweet Rock n' Roll
