

Nighttime (Demo)

Big Star

At nighttime, I go out and see the people
Air goes cool and hurrying on my way
And dressing so sweet, all the people to see
They're looking at me, all the people to see
And when I set my eyes on you
You look like a kitty
And when you're in the mood
Oh, you look so pretty
Caught a glance in your eyes
And fell through the skies
Glance in your eyes
And fell through the skies
I'm walking down the freezing street
Scarf goes out behind
You said, "Get them away"
Please don't say a word
