

Send One Your Love

Stevie Wonder

Advisory - the following lyrics contain explicit language:

Send her your love with a dozen roses
Make sure that she knows it with a flower from your heart
Show him your love, don't hold back your feelings
You don't need a reason when it's straight from the heart I've heard so many say that the days of romance are no
more
And people falling in love is so old fashioned
But waiting are they the day they once let slip away
Hiding need to fulfill their heart's desire for love's passion Send her your love with a dozen roses
Make sure that she knows it with a flower from your heart
Show him your love, don't hold back your feelings
You don't need a reason when it's straight from the heart I know that people say two hearts beating as one is
unreal
And can only happen in make believe stories
But so blind they all must be that they cannot believe what they see
For around us are miracles of love's glory Show him your love, don't hold back your feelings
You don't need a reason when it's coming from your heart
