Hold On, Weâ€™re Going Home

Volumes

I got my eyes on you, you're everything that I see
I want your hot love and emotion endlessly
I can't get over you, you left your mark on me
I want your hot love and emotion endlessly

Cause you're a good girl and you know it
You act so different around me
Cause you're a good girl and you know it
I know exactly who you could be
Just hold on, we're going home (going home)
Just hold on, we're going home (going home)
It's hard to do these things alone (things alone)
Just hold on, we're going home (going home)

I got my eyes on you, you're everything that I see
I want your hot love and emotion endlessly
I can't get over you, you left your mark on me
I want your hot love and emotion endlessly

Cause you're a good girl and you know it
You act so different around me
Cause you're a good girl and you know it
I know exactly who you could be
Just hold on, we're going home (going home)
Just hold on, we're going home (going home)
It's hard to do these things alone (things alone)
Just hold on, we're going home (going home)

You're the girl, you're the one
I gave you everything I loved
I think there's something, baby
I think there's something, baby

You're the girl, you're the one
I gave you everything I loved
I think there's something, baby
I think there's something, baby

Cause you're a good girl and you know it
You act so different around me

Cause you're a good girl and you know it
I know exactly who you could be
Just hold on, we're going home (going home)
Just hold on, we're going home (going home)
It's hard to do these things alone (things alone)
Just hold on, we're going home (going home)

Home! Home!
Would you take me home?
Would you take me home?
Would you take me home?
