

# I Heard the Bells On Christmas Day

[Echosmith](#)

I heard the bells on Christmas Day  
Their old familiar carols play  
And wild and sweet, the words repeat  
Of peace on earth, good-will to menTill ringing, singing on it's way  
The world revolved from night to day  
A voice, a chime, a chant sublime  
Of peace on earth, good-will to menAnd in despair I bowed my head  
There is no peace on earth, I said  
For hate is strong and mocks the song  
Of peace on earth, good-will to menThen pealed the bells more loud and deep  
Oh God's not dead and not asleep  
The Wrong shall fail, the Right prevail  
With peace on earth, good-will to men  
Oh peace on earth, good will to men  
Oh peace on earth, good will to men  
Oh peace on earth, good will to men  
Oh peace on earth, good will to men
