Total Eclipse Of The Heart

Jan Wayne

Turn around
Every now and then I get a little bit lonely
And you're never coming round
Turnaround
Every now and then I get a little bit tired
Of listening to the sound of my tearsTurnaround
Every now and then I get a little bit nervous
That the best of all the years have gone by
Turnaround
Every now and then I get a little bit terrified
And then I see the look in your eyesTurnaround bright eyes
Every now and then I fall apart
Turnaround bright eyes
Every now and then I fall apartAnd I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong togetherWe can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight, forever's gonna start tonight
Forever's gonna start tonightOnce upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heartAnd I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong togetherWe can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight, forever's gonna start tonight
Forever's gonna start tonightOnce upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do

A total eclipse of the heart
