If You Could See Me Now

The Script

(Oh if you could see me now)

(Oh if you could see me now)

It was February 14 Valentine's Day
The roses came but they took you away
Tattooed on my arm is a charm to disarm all the harm
Gotta keep myself calm but the truth is you're gone

And I'll never get to show you these songs
Dad you should see the tours that I'm on
I see you standing there next to Mom
Both singing along, yeah on and on

And there are days when I'm losing my faith
Because the man wasn't good he was great
He'd say "Music was the home for your pain"
And explained I was young, he would say

Take that rage, put it on a page
Take that page to the stage
Blow the roof off the place
I'm trying to make you proud
Do everything you did
I hope you're up there with God saying "That's my kid!"

[Chorus]
I still look for your face in the crowd
Oh if you could see me now
(Oh if you could see me now)
Would you stand in disgrace or take a bow
Oh if you could see me now
(Oh if you could see me now)

(Oh if you could see me now)

If you could see me now would you recognize me?
Would you pat me on the back or would you criticize me?
Would you follow every line on my tear-stained face
Put your hand on my heart that was cold

As the day you were taken away

I know it's been a while but I can see you clear as day
Right now, I wish I could hear you say
I drink too much, and I smoke too much dutch
But if you can't see me now that shit's a must

You used to say I won't know a wind until it crossed me
Like I won't know real love 'til I've loved and I've lost it
So if you lost a sister, someone's lost a mom
And if you lost a dad then someone's lost a son
And they're all missing out, yeah they're all missing out
So if you get a second to look down on me now

Mom, Dad I'm just missing you now

I still look for your face in the crowd
Oh if you could see me now
(Oh if you could see me now)
Would you stand in disgrace or take a bow
Oh if you could see me now
(Oh if you could see me now)

Oh, oh
Would you call me a saint or a sinner?
Would you love me a loser or winner?
Oh, oh
When I see my face in the mirror
We look so alike that it makes me shiver

I still look for your face in the crowd
Oh if you could see me now
(Oh if you could see me now)
Would you stand in disgrace or take a bow
Oh if you could see me now
(Oh if you could see me now)
Yeah I'm just missing you now

I still look for your face in the crowd
Oh if you could see me now
(Oh if you could see me now)
Would you stand in disgrace or take a bow
Oh if you could see me now
(Oh if you could see me now)

If you could see, you could see me now (x2)
