The Edge of Infinity

Lunatica

Can you see the light we're going into?
Feel the power. It's a journey to a better world.
All you have to do is to believe
We're heading forward. And we will be kings and queens[Chorus:]
To the edge of infinity, an invisible reality
Where the power of thoughts sets me free
On the journey to wonderland
I will hold the key in my own hands
If dreams can come true let us dreamThere are a hundred ways to reach the space
Between two worlds. See the open door in front of
Imagination helps to navigate
Take the next step. Sailing through the sea of time[Chorus]
