Long As You Come Home (Juelz Santana Mix)

Brooke Valentine

I loved you, before I knew you lied
I've always been right here
So, don't you try to deny

I've been right by your sideThen you started to tell the truth

About all the girls you knew

I was already over heels for you

I just don't know what to doOh, I, I try but I can't shake you

Oh, I, I'm in love with you. I'm in love with you[Chorus]

Leave me alone, stay out late, but don't even call

As long as you come home.

Tell me you love me, when you don't at all

As long as you come home

Say you were, when you wasn't hangin' out with your boys

As long as you come home

Boy, you do, you will, you won't, or you don't

As long as you come homeCome tell me all of those sweet lies

You used to whisper in my ear

I don't wanna fight

I just want you nearDon't need my girls telling me

How stupid I am

Want everybody just to let me be

I'm staying with my manOh, I, I try but I can't shake you

Oh, I, I'm in love with you. I'm in love with you. [Chorus] Come home, come home, come home,

Come home, as long as you come home

I love you

I wish that you could give up those streets]
