

# Supernatural

## True Vibe

Your absolute possession of my mind  
Hit me like a hurricane  
And this complete obsession's what I like  
Just when I think I'm goin' insane  
I tell myself It's only supernatural  
But it's the way You live in me  
It's only supernatural  
You make a believer out of me Nothing I can do  
What can I say?  
Not like it happens everyday  
And though it's unbelievable  
It's only supernatural This pure sensation I don't understand  
But it keeps me coming back for more  
I want to make Your wish my soul command  
If this is what my heart is, is for  
I'm not afraid
